

## Regulations

### Guest cards of the holiday destination Disentis Sedrun

According to the tourism law of the municipalities of Disentis and Tujetsch, the revenue from the guest tax is used to finance tourist facilities and events that are created for the guest and can be used by him to a predominant extent.

Among other things, the guest cards offered by the holiday destination Disentis Sedrun are financed with the revenue from the guest tax.

#### 1. Offer

The offer of the guest card is different in the summer and winter season. Furthermore, offers can be added or cancelled. The use of the guest cards depends on the opening hours of the service partners.

The summer guest card is generally valid from May to October, the winter guest card from November to April.

#### 2. subscription rights

The following persons are entitled to use a guest card:

- Guests who spend at least 1 night in the holiday destination Disentis Sedrun. This also applies to guests to whom a holiday flat is made available free of charge, even without charging the visitor's tax.

#### 3. Terms of use and data protection

The document "Terms of use and data protection" is an integral part of these regulations. The terms of use regulate the relationship between Sedrun Disentis Tourismus SA as issuer of the guest cards and the persons using them.
